Shelly,

Here is the private well information provided to me by MCHD.

The spreadsheet lists which addresses have been verified to be connected to a City water system. Per our discussion, I will proceed in obtaining cost estimates to connect the remaining 23 private wells to Citizens Water. If you see any glaring omissions, please let me know!

Thanks again,
Sarah

Hi Sarah,

Please see attached spreadsheet. From our count, there are 23 active wells in this neighborhood. If you have any questions, please let me know.

Sincerely,

Adam Rickert
